### Section 508 Conformance Audit — CT DMV Website Homepage 2026

*Independent portfolio audit conducted using DHS Trusted Tester v5 methodology*

- Performed manual accessibility testing of DMV homepage against Section 508 requirements using DHS Trusted Tester V5 methodology.
- Evaluated accessibility using **ANDI**, **Colour Contrast Analyser (CCA)**, and in **Firefox Dev Tools**.
- Documented findings using the **Section 508 Conformance Reporting Tool (SCRT) report** and produced an **Accessibility Conformance Report (ACR)** as portfolio deliverables.
- Recorded accessibility issues with supporting screenshots, applicable standards, and pass/fail results.

## P R O F E S S I O N A L   E X P E R I E N C E

### Freelance Game Artist & Animator — Multiple Studios Remote | 2024–Present

*Wicked Fox Games, ThrillTech, Scopely*

- Delivered production art and animation assets to written technical specifications (platform, engine, and style requirements) across multiple client projects.
- Worked cross-functionally in English and Spanish with remote teams across the US and Europe

### Senior Animator — Lingokids (EdTech) Remote | 2020–2024

- **Authored the studio's animation guide** — written technical standards (frame rates, tool usage, workflows) used to onboard junior animators and govern production quality
- Maintained production tracking documentation, communicated project status to leadership, and coordinated with producers, engineers, level designers, educational designers, and artists throughout development.
- Mentored junior staff on tools, workflows, and quality standards.

### Game Artist & Animator — Various Studios US & Spain | 2010–2020

*EA (via Grim Panda), Scopely, Gig Games, East Side Games, Katsu Entertainment*

- Delivered multiple shipped titles to written platform, engine, and style specifications across mobile, console, and PC.
- Followed documented protocols, NDA requirements, and structured review cycles while consistently delivering on deadline.
